- If a student withdraws after July 31, one year's tuition plus fees are due, since the hiring of staff and the ordering of classroom materials and resources are based upon anticipated enrollment. Student records will not be released until the account is paid in full. Parents will be expected to honor their full year's commitment to the school. Requests for exceptions must be addressed in writing to the Finance Committee Chair and will be considered only in extreme circumstances.
- If enrollment is canceled after July 31, the financially responsible party is obligated to pay the full tuition & fees.
- If tuition becomes 30 days past due, student attendance may be prohibited until payments due to Montessori School of Louisville are made current.

EXTENDED CARE ENROLLMENT

Montessori School of Louisville offers Extended Care (Morning Care for before regular school hours and After Care for after regular school hours) for currently enrolled students as a service to parents who require care for children outside of regular school hours. Families requesting this option on a consistent basis need to complete an Extended Care contract. Availability is not guaranteed to students without an Extended Care contract.

DROP-IN CARE & BILLING

Drop-In Extended Care requires 24-hour notice and will be subject to space availability. Students remaining after regular dismissal time will be sent to the Extended Care program, and parents will be billed accordingly.

TUITION ASSISTANCE

Tuition assistance awards are based upon a family's need as determined by a financial aid application analysis provided by FACTS Management. Each award is made for one year only, and award amounts are based upon available MSL tuition assistance funds. Priority for tuition assistance awards is placed upon student retention and growth of upper level programs. Apply online for tuition assistance with FACTS Management's financial aid application at <https://online.factsmgmt.com/signin/3CX8S>.

TUITION INSURANCE

Tuition insurance helps protect the investment you are making in your child's education. For a covered loss, it will pay to the school the remaining portion of tuition and fees to the coinsurance percentage. Payers are still responsible for paying the school for any portion of remaining tuition that is not covered by insurance. Covered losses include involuntary unemployment, medical withdrawal, job transfer, voluntary withdrawal, or academic/ disciplinary discharge. Tuition Insurance is required by all families who do not Pay-In-Full and is included in the cost of 2021-22 tuition. MSL covers a portion of this program as it

benefits both families and the school.
